TOGETHER WE'RE BETTER

Become a part of the Y

Welcome to the Y! Our cause is to strengthen community. That's why we're here working with you every day, making sure that you, your family and our community have the resources and support needed to learn, grow and thrive together.

With a focus on developing the potential of kids, improving individual health and well-being, and giving back and supporting our neighbors, your membership will bring about meaningful change not just within yourself, but in your community, too. **Join us today and experience how the Y empowers our members to be more healthy and connected, one day at a time.**

Individual Unique Pricing Based on your Income

The Y does not turn anyone away based on inability to pay. Our Scholarship Program to receive reduced rates for membership and selective programs is based on your gross annual income and number of individuals in the household. At sign up please provide a 1040 form from previous year, or other form of income verification. If not available at sign up we will accept an estimate to complete joining the Y.

New members have 10 days after joining to verify their income. Please see enclosed branch price sheet for more details or visit manateeymca.org.
