About the Manatee YMCA

The Manatee Family YMCA is an essential contributor to our community. Our Community Support Campaign raises charitable funds to make it possible for children, families, and adults to have access to Y programs vital to our community. While we strive to keep values-based youth programs and fees affordable, we know that difficult times some individuals and families need financial assistance. Through the Community Support Campaign, we are able to ensure that no one is turned away from Y programs and services based on their ability to pay.
