VINYASA YOGA: Power Vinyasa Flow Yoga - In this class you will synchronize breath with movement while building strength & flexibility in a fun atmosphere. Appropriate for all levels

BASIC YOGA: Basic and advanced yoga postures are progressively seamed together.

YOGA: Building from basic yoga, moving to more advanced postures and/or challenging posture combinations with postures held longer.

GENTLE YOGA: A soft flow and holding of yoga postures.

Les Mills BODYFLOW is the yoga-based class that will improve your mind, body and life. During BodyFlow, an inspired soundtrack plays as you bend and stretch through a series of simple yoga moves and embrace elements of Tai Chi and Pilates. Breathing control is a part of all the exercises, and instructors always provide options for those just getting started.

CYCLE: A high-energy workout utilizing non-impact indoor stationary bikes, guided imagery, creative lighting and carefully selected music to inspire you through a workout like no other.

Les Mills SPRINT: 30 Minute High-Intensity Interval Training (HIIT) workout, using an indoor bike to achieve fast results. In a short, intense style of training where the thrill and motivation comes from pushing your physical & mental limits. You combine bursts of intensity, where you work as hard as possible, with periods of rest that prepare you for the next effort.

Les Mills GRIT 30 minute High Intensity Interval Training with 3 Modalities: Strength, Cardio and Athletic. Short, high bursts of energy with recovery time in between to accelerate fitness gains. Instructors use Floor Coaching to increase personal connection and hold participants accountable. NOT RECOMMENDED IF PREGNANT OR HIGH BLOOD PRESSURE.

Les Mills BODYCOMBAT™ a high-energy martial arts-inspired workout that is non-contact. Punch and kick your way to fitness burning up to 740 calories in a class. Learn moves from Karate, Taekwondo, Boxing, Muay Thai, Capoeira and Kung Fu. Release stress, have a blast and feel like a champ,

Les Mills BODYATTACK™ a high-energy class with moves for beginners to total addicts. Done in both impact and non-impact forms, we combine athletic movements like running, lunging and jumping, with strength exercises such as push-ups and squats burning up to 730 calories

Les Mills BODYSTEP is simple to follow and athletic with burpees, push-ups, jumps and weighted plates along with energetic moves using the bench.

Les Mills CXWORX™ is a 30 Minute Class providing the vital ingredients for a stronger body. All the moves in CXWORX have options, so it's challenging but achievable for your own level of fitness. The trained instructors guide you through correct technique as you work with resistance tubes and weight plates, as well as body weight exercises like crunches and hovers. You will also get into some hip, butt and lower back exercises.

Les Mills BODYPUMP™ is for anyone looking to get lean, toned and fit – fast! Using light to moderate weights with lots of repetition, Instructors will coach you through the scientifically proven moves and techniques pumping out encouragement, motivation and great music. You'll leave the class feeling challenged and motivated, ready to come back for more.

Pure Strength This workout is all about increasing strength and endurance and building lean, strong muscles! We will be utilizing a barbell as well as other strength equipment to hit each muscle group and your core!

Barre Set to upbeat music, this class starts with a warm up and sequence of upper-body exercises using light free weights, bands, push-ups and planks moving into a series of ballet barre or floor exercises that focus on the thighs while gaining overall body strength and balance.

Zumba classes feature exotic rhythms set to high-energy Latin and international beats. It's easy to do, effective and totally exhilarating.

BOLLYX: Experience a Bollywood-inspired dance fitness program that combines exhilarating choreography and calorie-burning workouts with music from around the world. All levels welcome.

Senior Boot Camp An advanced level for Seniors, a modified bootcamp workout combining fun and fitness improving cardiovascular & muscular strength with a standing circuit workout. Options are always presented for all levels.

Active Living This class uses chairs and stability balls to improve functional and core strength, balance, flexibility and drills to improve cognitive function.

Karate Fitness Take your fitness to a whole new level! Real martial arts-based kicks and punches in a drill-style format.
